Money-Back Guarantee for New Members

We believe that membership in the Bethel Area Chamber of Commerce is an excellent investment, and that members will believe that too, if they are making maximum use of their benefits. As a result, the BACC offers a First-year Money-back Guarantee.

If a member does the following, and still doesn't think dues are worth it to them, the member can receive their first year's dues back.

- Meet with a staff member at your business or in the chamber office to learn how to utilize all the membership tools
- Log in to www.bethelmaine.com to use the tools available to them at the membership level in which they've invested
- Attend at least two networking events/workshops
- Volunteer a few hours at an event over the course of the year.
