# The Mahoosuc Way

## PLEDGE TO EMBRACE OUR SPACE

The Mahoosuc Way is a new way of thinking about the way we approach how we interact with the environment and the community. The Bethel area welcomes visitors year round, and we know you'll appreciate the mountain scenery, unlimited potential for adventure, and friendly people. Our natural resources have provided recreational enjoyment and our livelihood for generations. By working together to raise awareness about protecting the environment and communities we enjoy, visitors and locals alike can keep enjoying this place for generations to come. It's The Mahoosuc Way.

### WHAT STEPS CAN YOU TAKE?

- Do your research and understand the difficulty level, resources that may or not be available, and equipment you may need to take part in any trip you're planning.
- Have a plan B and C in case you arrive at a trailhead that's already very busy – and try to visit on less-busy days or seasons.
- Carry out what you carry in – keep trails, sidewalks, and roadways clean.
- Consider volunteering or otherwise giving back to a community while you're visiting.
- Be friendly to local hospitality workers – they are the ones with the best advice!

## SUMMIT RIDGE TRAIL - BETHEL COMMUNITY FOREST

| 0.75 to 3.2 miles, 1.5-2 hours, depending on route

**GETTING THERE:** Take the North Road off of Route 2/26/5 for 2 miles, then right onto Daisy Bryant Road, for 0.2 miles, then right on Locke Mountain Road (follow signs and respect the neighbors). Follow the Locke Mountain Road for 0.6 miles until reaching the parking lot.

**WHAT TO EXPECT:** The Summit Ridge Trail is designed to be easy to moderate, following the contours of the terrain as it ascends the ridge where it takes in sweeping views to the south and west. It follows blue blazes from the parking lot in the Bethel Community Forest terminating at a turnaround point at a scenic overlook. The trail emerges at Picnic Knoll, complete with a picnic table, 0.6 miles from the trailhead. From there, the trail ascends a ridge with a mix of terrain on rocks before emerging at another logging road. Cross the road and ascend through more rock and small ledge openings before emerging at the West Ledges at 1.2 miles. Continue a gentle climb through a sub-alpine forest, past a viewpoint, and then to high view of the Bingham Forest valley where the trail ends at 1.6 miles. Return the way you came.

## BUCK'S LEDGE & LAPHAM LEDGE

| 1-2 miles, 1 hour

**GETTING THERE:** From Bethel village, go south on Route 26. From the intersection of Howe Hill Road in the Locke Mills of Greenwood, continue for 2.1 miles to a small parking lot on the left at the top of a rise. Find EV stations here.

**WHAT TO EXPECT:** These trails start together on a gravel road. At 0.5 miles, the trail to Lapham Ledge leaves the road and goes to the right at a sign. The Lapham Ledge trail continues another 0.5 miles to the Ledges where there are mountain and pond views to the south and east.

To reach Buck's Ledge, go past the Lapham Ledge trail and continue hiking on the road for another 0.2 miles, where the trail to Buck's Ledge breaks away from the road on the left. Continue 0.6 miles to the top of a long ledge to enjoy views of North and South Ponds, Mount Abram, and the Mahoosuc and White Mountains in the distance.

## MAGGIE RING'S NATURE PARK

| Up to 3.4 miles, 2 hours

**GETTING THERE:** The parking lot and two trailheads for Maggie's Nature Park are on the Greenwood Road on the west side of South Pond in the Town of Greenwood. From Bethel, take Howe Hill Road off of Route 26. Go over the RR tracks and turn left onto Greenwood Road. Continue for 1.4 miles and turn right at the sign into the parking lot.

**WHAT TO EXPECT:** Maggie Ring's Nature Park is laid out in a well-marked network of loops. Check the map at the trailhead before setting off. The trails are mostly quite gentle – great for beginners, kids, or just getting out for an hour or two of fresh air. The most scenic spot of the park is Peaked Mountain Bluff with views overlooking Twitchell Pond. Additional views include North and South Ponds along the Ledge Trail and Mount Abram after a moderate climb on the Loop Trail.

## ON THE TRAIL:

# Hiking in the Bethel area

No matter the season, no matter the level of challenge, you'll discover a hike to love near Bethel. Trails range in difficulty from a paved pathway along the Androscoggin River, all the way on up to the most challenging mile of the Appalachian Trail. It's an easy drive to the White Mountain National Forest to the west, Grafton Notch State Park to the north, and an ever-growing array of trails on other conserved lands.

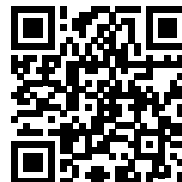

### THE APPALACHIAN TRAIL

The AT is a legendary route that traverses from northern Maine to Georgia, passing just north and west of Bethel. Thru-hikers can take roughly six months to hike the whole thing, but you can say you hiked just a bit of it by leaving from the Grafton Notch trailhead for short-but-steep hikes to either the Table Rock or the Eyebrow viewpoints; try Old Speck or Baldpate for daylong adventures. [maine.gov/grafftonnotch](http://maine.gov/grafftonnotch)

### THE MAHOOSUC WAY:

#### PLEDGE TO EMBRACE OUR PLACE

With increasing numbers of people using our great outdoors, users need to be mindful of their impact on the land. Always have a back-up plan in case you get to an area with an already-full trailhead. While hiking, stay on the trail to be respectful of the landowner, never leave trash behind, and don't damage any natural or human-made features. Take the Pledge to Embrace Our Place at [mahoosucway.com](http://mahoosucway.com)

A PLACE FOR  
COMING TOGETHER

## EVENTS, REUNIONS, AND GROUP GATHERINGS

Retreat to the western Maine mountains for your next family get-together or group affair. Consider adding this Visitors' Guide or our area map to your guests' welcome bags. Contact the Bethel Area Chamber for advice tailored to your needs.

# Traveling with Your Furry Friend

A family trip isn't complete without all members of your family, four-legged ones included!

For recommendations on pet-friendly accommodations, including hotels, motels, inns, and campgrounds willing to welcome your furry friend, see [bethelmaine.com/where-to-stay](http://bethelmaine.com/where-to-stay), and scroll down to click on Pet Friendly.

Hiking trails for humans and dogs of all abilities are abundant and uncrowded (see pgs 10-11). A paved pathway leading from Davis Park along the Androscoggin River is great for evening walks, and dog waste bags are conveniently stationed around the village parks and streets. In summer, dogs will love to swim in area rivers (see pgs 14-15). In winter, pet parents may even take their dogs XC skiing at Carter's XC Ski Center or Inland Woods + Trails' Winter Trail Center at The Bethel Resort & Suites (see pg 46).

Bethel Animal Hospital is at your service if need be. In addition to medical care, it also offers specialty pet foods and treats, plus quality toys and accessories. [bethelanimalhospital.com](http://bethelanimalhospital.com)

IF YOU COME TO PLAY,

# Why Not Come to Stay?

## Consider relocating...

Bethel, Newry, Albany, Gilead, Greenwood, Bryant Pond, Hanover, Andover, and Upton

Bethel and the surrounding small towns are gems in the western mountains of Maine, home to down-to-earth, friendly people, a flourishing business community, significant cultural offerings, and some of the best recreational opportunities in New England. This area offers a small-town quality of life that brings people back time and again.

It's not hard to see why people come . . . and stay. Some tout the fresh air surrounding the many mountains around, the quiet backyards for relaxing, the outdoor activities in all four seasons. Some relish the hospitality of the residents and start to picture that this area could be home, and these people could be your neighbors.

If you're looking to relocate, these communities offer affordable housing, multiple educational facilities, an Age-Friendly Community Initiative (ACFI, [agefriendlybethel.org](http://agefriendlybethel.org)), and a long list of area business services (see pgs 54-60) to help you settle into your first home, a vacation home, or your retirement home. Bethel's unique location and resources combine to make the area a wonderful place to live, work, and play all year round.
