## MADE WITH LOVE

Butcher Burger was established in the Spring of 2014, specializing in unique burgers, sandwiches, lobster rolls and fries. Since then, Butcher Burger has expanded into the Western Mountains of Maine and most recently, Portland, ME. We pride ourselves in supporting local breweries and we are pleased to serve you the very best of what the Maine beer scene has to offer.

We prepare all of our food in-house from scratch, using fresh ingredients. Our lobster is locally sourced from lobster boats along the coast of Maine where it is then steamed and hand-picked in house.

All food waste and organic materials at Butcher Burger are composted and donated locally.
